DEPOSIT POLICY

2024 - 2025

I.PREAMBLE

One of the important functions of the Bank is to accept deposits from the public for the purpose of lending.

Depositors are the major stakeholders of the Banking system. Depositors and their interests form the key area of the regulatory framework for banking in India and this has been enshrined in the Banking Regulation Act, 1949.

With liberalization in the financial system and deregulation of interest rates, banks are now free to formulate deposit products within the broad guidelines issued by RBI.

This Deposit Policy has been drawn up within the broad guidelines issued by the Reserve Bank of India vide its **Master Circular RBI/2014-15/29 UBD.BPD.(PCB). MC.No:13 /13.01.000/2014-15 July 1, 2014** and further updated vide **Master Circular RBI/2015-16/5 DCBR.BPD.(PCB).MC.No:6/13.01.000/2015-16 dated July 1, 2015** and **RBI Circular RBI/-66 DoR.SPE.REC. 29/13.03.00/2021-2022 dated July 02, 2021**.

This policy document on deposits outlines the guiding principles in respect of formulation of various deposit products offered by the Bank and the terms and conditions governing the conduct of the account. The document recognizes the rights of depositors and aims at dissemination of information with regard to various aspects of acceptance of deposits from the members of the public, conduct and operations of various deposits accounts, payment of interest on various deposit accounts, closure of deposit accounts, method of disposal of deposits of deceased depositors, etc., for the benefit of customers. It is expected that this document will impart greater transparency in dealing with the individual customers and create awareness among customers of their rights. The ultimate objective is that the customer will get the services they are rightfully entitled to receive without demand. While adopting this policy, the bank reiterates its commitments to individual customers outlined in Bankers' Fair Practice Code of Indian Banks' Association. This document is a broad framework under which the rights of common depositors are recognized. Detailed operational instructions on various deposit schemes and related services will be issued from time to time.

The policy will be reviewed by the Board of Directors to bring about further improvements in the system and also incorporate any requirements.

In case where the bank is satisfied that it is not possible to furnish two such documents, Bank may at its discretion, accept only one of those documents as proof of business/activity.

Provided Bank undertakes contact point verification and collect such other information and clarification as would be required to establish the existence of such firm, and shall confirm and satisfy itself that the business activity has been verified from the address of the proprietary concern.

f) **Accounts of Partnership Firms:**

The Bank will open such accounts in the name of the firm and not the names of partners. The Bank will obtain all the relevant documents like Partnership Deed and Partnership Declaration Letter / partnership mandate wherein the names of partners, addresses of partners, authority to open/operate account, draw/accept bills, mortgage/sell firm's properties is mentioned.

KYC documents will also be obtained from all the partners. Minors will not sign in the capacity of a partner of the firm as well as in individual capacity.

The Bank will ensure that in order that the firm is bound by the act of the partner, the capacity of the partner will be mentioned as 'for and on behalf of the firm' while signing. The Liability of a partner would thereby arise for any bill drawn or transaction carried out in the recognized trading name of the firm and incidental to the business of the firm, although the particular partner's name does not appear on the face of the instrument and although he is a sleeping or a secret partner.

The Bank will also take care that the Account opening form also states the persons who will operate the account (jointly or singly) and care will be taken to ensure the same. The Bank will accept the Authority to operate the account in favour of a third party, who is not a partner. However, the same should be given by all the partners along with a Power of Attorney duly executed in his favour.

Particulars of a minor partner will be properly recorded in the special instruction field of the account master, especially the date of attaining majority so that whenever a transaction is effected the message would pop-up to alert the Bank. On the said date, a letter stating that he is joining the firm, along with his KYC documents and the copy of the Public Notice will be obtained from him.

The Authority given to partners for operating the account can be withdrawn or revoked by any partner singly, whether he has the authority to operate the account or not. It can be done by giving notice to the banker. Once this authority is withdrawn, it will be restored only when all of the partners sign again giving fresh mandate for operation of the account, or all the future cheques are signed by all the partners. In case any other partner raises some legal contentions, the Bank will make a reference to the empanelled advocate, giving all the relevant facts and copies of the relevant correspondence.

Cheques payable to the firm or endorsed to the firm will not be credited in the personal account of any partner as that would amount to diversion of the funds of the firm. But a cheque in the personal name of any partner can be credited to the firm's account.

The Bank will accept any of the partners' notice for stop payment of a cheque.

In case of reconstitution of the firm the Bank will allow opening of fresh accounts, by freezing the existing accounts. However, the Bank will consider the balances of both the accounts – freezed account and the subsequently opened account on reconstitution of the firm to arrive at a consolidated balance of the Partnership firm.

Cheques signed by insolvent, insane and deceased partner will not be paid. An insolvent ceases to be a partner from the date of order of adjudication and firm is not liable for his actions. A cheque issued by a deceased partner, prior to his death, but presented after the Bank is in receipt of a notice to that effect, will not be paid. In the event of lunacy of one of the partners, the cheques will not be paid.

When a partner retires, any cheque issued by the retiring partner will be paid from the new account only after obtaining proper letter from all the partners including the retiring partners.

The Bank will insist that the documents be signed in individual as well as joint capacity. The Liability would end only when all debts are discharged or on change in the constitution of the firm as informed to the banker.

All the partners will have to sign in the event of the firm giving guarantee.

Circumstances wherein the acts have to be taken by all the partners jointly (implied authority of the partner) does not cover the following instances:

- Submission of a dispute to arbitration
- Opening an account in his own name for firm's business
- Promise or relinquish claim of the firm
- Withdrawal of suit filed on behalf of the firm
- Admit any liability in a suit against the firm

- Transfer immovable property belonging to the firm
- Enter into partnership on behalf of the firm

In the event of dissolution of the firm, the Bank will adopt the following procedure:

- When account is in credit, the remaining partners will be allowed to operate the account normally for winding up or alternatively the remaining partners should open a new account or ask for continuation of the account on the basis of fresh mandate. If they decide to close the account, the balance lying in the account will be paid to the remaining partners and the legal heirs of the deceased partner.
- If the account is in debit, the Bank will stop operations (particularly withdrawals). The Bank will adopt the following procedure for disposal of Debit Balance in Partnership Firm Accounts:

g) Accounts of Multi Level Marketing Firms

If the operating instruction is 'Either or Survivor' and one of the depositors expires before the maturity, pre-payment of the fixed / term deposit will be allowed without the concurrence of the legal heir of the deceased joint deposit holder, only if there is a joint mandate from the joint depositors to this effect. Such premature withdrawal will not attract any penal charge. A specific mandate will be obtained from both the parties when both of them are alive.

In case the mandate is 'Former or Survivor', the 'Former' alone will be allowed to operate/ withdraw the matured amount of the fixed / term deposit, when both the depositors are alive. The Bank will allow closure of a RD only after 30 days from the date of payment of last installment although the date of payment of last installment of the RD falls prior to the same, since otherwise such transaction would be considered as a premature closure.

(v) **Unclaimed Deposits and Inoperative/ Dormant Accounts**

In view of the increase in the amount of unclaimed deposits with Banks year after year and the inherent risk associated with such deposits, the Bank will play a more proactive role in finding the whereabouts of the account holders whose accounts have remained inoperative. The below mentioned existing instructions have been revised and updated as per the extant instructions of RBI Notification RBI/ 2023-24/105 DOR.SOG (LEG).REC/64/09.08.024/2023-24 dated January 1, 2024 w.r.t. Inoperative Accounts / Unclaimed Deposits in Banks which will be followed by the Bank while dealing with inoperative/dormant accounts:

- a) The classification of an account as inoperative shall be for a particular account of the customer and not with reference to the customer. In case a customer is maintaining multiple accounts/ deposits with a bank, all such accounts/ deposits shall be assessed individually for the purpose of classifying them as inoperative account/ unclaimed deposits, as the case may be.

- b) A savings as well as current account will be treated as inoperative / dormant if there are no customer induced transactions in the account for over a period of two years. This is not applicable for zero balance accounts for beneficiaries of Central/State government schemes and for students who receive scholarship. The banks shall, based on the purpose of opening of the account, segregate such accounts in their CBS, so that the stipulation of 'inoperative account' is not applicable to these accounts.
- c) The Bank will carry out an annual review of accounts in which there are no operations (i.e. no credit or debit other than crediting of periodic interest or debiting of service charges) for more than one year.
- The Bank will approach the customers and inform them in writing through letters or emails or SMS (if the email and mobile number are registered with the bank) that there has been no operation in their accounts / deposits in the last one year, as the case may be. The alert messages shall invariably mention that the account would become "inoperative" if no operations are carried out during the next one year and, the account holder would be required to submit KYC documents afresh for reactivating the account in such case. In case the non-operation in the account is due to shifting of the customers from the locality, they will be asked to provide the details of the new bank accounts to which the balance in the existing account could be transferred.
- d) If the letters are returned undelivered or no response is received through registered email, the Bank will immediately put them on enquiry to find out the whereabouts of the customers or their nominees / legal heirs in case they are deceased.
- e) In case the whereabouts of the customers are not traceable, the Bank will consider contacting the persons who had introduced the account holder. The Bank will also consider contacting the employer / or any other person whose details are available with them. The Bank will also consider contacting the account holder telephonically in case his telephone number / Mobile Phone number has been furnished while opening the account. In case of Non Resident accounts, Bank will also contact the accountholders through email and obtain their confirmation of the details of the account.
- f) In case a reply is given by the account holder giving the reasons for not operating the account, the Bank will continue classifying the same as an operative account for one more year within which period the account holder will be requested to operate the account. However, in case the account holder still does not operate the same during the extended period, the Bank will classify the same as inoperative account after the expiry of the extended period.
- g) For the purpose of classifying an account as 'inoperative' both the type of transactions i.e. debit as well as credit transactions initiated at the instance of customers as well as third party will be considered. However, the service charges debited or interest credited by the Bank will not be considered in these transactions. There may be instances where the customer has given a mandate for crediting the interest in Fixed Deposit account to the Savings Bank account and there are no other operations in the Savings Bank account. Since the interest on Fixed Deposit account is credited in the Savings Bank accounts as per the mandate of the customer, the same will be treated as a customer initiated transaction and the account will be treated as operative account as long as the interest on Fixed Deposit account is credited to the Savings Bank account. The Savings Bank account

will be treated as inoperative only after two years from the date of the last credit entry of the interest on Fixed Deposit account.

- h) The segregation of the inoperative accounts will be from the point of view of reducing the risk of frauds etc. However, the customer should not be inconvenienced in any way, just because his account has been rendered inoperative. The classification is there only to bring to the attention of dealing staff the increased risk in the account. The transaction will be monitored at a higher level both from the point of view of preventing frauds and making a Suspicious Transactions Report. However, the entire process will remain unnoticeable by the customer.
- i) Operation in such accounts will be allowed after due diligence as per risk category of the customer. Due diligence would mean ensuring genuineness of the transaction, verification of the signature and identity etc.
- j) There will not be any charge for activation of inoperative account.
- k) The bank shall ensure that amounts lying in inoperative accounts/ unclaimed deposits and reactivated inoperative accounts/unclaimed deposits, are subjected to Concurrent audit. The bank shall ensure that amounts lying in inoperative accounts/ unclaimed deposits and reactivated inoperative accounts/unclaimed deposits, are subjected to Concurrent audit.
- l) The Bank will also ensure that the amounts lying in inoperative accounts ledger are properly audited by the internal auditors / statutory auditors of the Bank.
- m) Interest on savings bank accounts will be credited on regular basis whether the account is operative or not.
- n) If a term deposit matures and proceeds are unpaid, the amount left unclaimed with the Bank will attract savings bank rate of interest. (simple rate)
- o) The Bank will not levy penal charges for non-maintenance of minimum balance in inoperative accounts.

It is a unique number generated through Core Banking Solution (CBS) and assigned to each unclaimed account/deposit transferred to DEA Fund of RBI. The number shall be such that the account holder or the bank branch where account is maintained, cannot be identified by any third party.

(vii) Use of electronic mode of payment for large value transactions

- a) Recognizing the importance of ensuring the safety and security of the payment systems, the Bank has put in place three modes of electronic payments i.e. Real Time Gross Settlement (RTGS) System, National Electronic Fund Transfer (NEFT) System and Electronic Clearing Service (ECS).
- b) As per RBI guidelines, the Bank will ensure that large value payments of Rs.10 lakh and above between RBI regulated entities/market such as Bank, Primary Dealers, NBFCs, Money Market, Government Securities Market and Foreign Exchange Market will be mandatorily routed through the electronic payment mechanism.
- c) In the case of RTGS/NEFT through Internet Banking, the Bank has stipulated certain limits on the amount of transactions which are periodically revised. Presently, incase of Individuals, the maximum limit for NEFT and RTGS is Rs. 2.00 lacs and Rs. 3.00 lacs respectively. Incase of Corporates, the limit is Rs. 5.00 lacs per day which can be enhanced to Rs. 10.00 lacs subject to borrower's request which will be at the discretion of the delegated authority.
- d) **Accounts Of Illiterate / Blind Persons**
The Bank will open deposit accounts, other than Current Accounts, of illiterate persons. The accounts of such persons will be opened provided he/she calls on the Bank personally along with a witness who is known to both the depositor and the Bank.

At the time of withdrawal / repayment of the deposit amount and / or interest, the account holder should affix his / her thumb impression or mark in the presence of the authorized officer who will verify the identity of the person.

The Bank will explain the need for proper care and safe keeping of the pass book etc. given to the account holder. The Bank will explain the terms and conditions governing the account to the illiterate / blind person. Subject to fulfillment of these terms and conditions visually impaired customers can issue post-dated cheques of predetermined amounts to financial institutions, can avail lockers and ATM cards.

(viii) **Operation of Bank Accounts by Old/Sick/Incapacitated Customers**

The old / sick / incapacitated account holder falls in the following two categories:

- a) An account holder who is too ill to sign a cheque/cannot be physically present at the branch to withdraw money from his bank account but can put his/her thumb impression on the cheque/withdrawal form, and
- b) An account holder who is not only unable to be physically present in the bank but is also not able to put his/her thumb impression on the cheque/withdrawal form due to certain physical defect/incapacity.

The Bank will follow the procedure given below for operation in the accounts of old / sick / incapacitated customers:

- a) Wherever thumb or toe impression of the sick/old/incapacitated account holder is obtained, it will be identified by two independent witnesses known to the Bank, one of whom will be a responsible bank official.
- b) Where the customer cannot even put his/her thumb impression and also will not be able to be physically present in the branch, a mark will be obtained on the cheque/withdrawal form which will be identified by two independent witnesses, one of whom will be a responsible bank official.
- c) In such cases, the customer will be asked to indicate to the branch as to who would withdraw the amount from the Bank on the basis of cheque/withdrawal form as obtained above and that person should be identified by two independent witnesses. The person who would be actually drawing the money from the branch will be asked to furnish his signature to the branch.
- d) In the case of a person who has lost both his hands, the signature can be by means of a mark. This mark can be placed by the person in any manner. It could be the toe impression. It can be by means of a mark which anybody can put on behalf of the person who has to sign, the mark being put by an instrument which has had a physical contact with the person who has to sign.
- e) The National Trust for the Welfare of Persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities Act, 1999, allows appointment of legal guardians for persons with disability by the Local Level Committees set up under the Act. Hence a legal guardian so appointed can open and operate the bank account as long as he remains the legal guardian. Further provisions of the Mental Health Act, 1987 also allow appointment of Guardian by District Courts and Collector of District.

- f) The Bank will therefore rely upon the Guardianship Certificate issued either by the District Court and Collector of District under Mental Health Act or by the Local Level Committees under The National Trust for the Welfare of Persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities Act, 1999 for the purposes of opening / operating bank accounts.
- (ix) **Receipt of Foreign Contributions by various Associations / Organizations in India under Foreign Contribution (Regulation) Act, 1976**
- a) The Foreign Contribution (Regulation) Act, states that the associations having a definite cultural, economic, educational, religious and social program and receiving foreign contribution should get themselves registered with the Ministry of Home Affairs, Government of India and receive foreign contribution only through one of the branches of the bank as an association will specify in its application for registration with the Ministry of Home Affairs.
- b) The Act also states that every association if not registered with the Central Government, should obtain prior permission of the Central Government before accepting any foreign contributions.
- c) There are also certain organizations of a political nature, not being political parties specified by the Central Government under Section 5(l) of the Act. These organizations require prior permission of the Central Government for accepting any foreign contribution.

In this regard, Bank will take the following precautions:

Bank will afford credit of the proceeds of cheques /drafts representing foreign contribution only if the association is registered with the Ministry of Home Affairs, Government of India.

Bank will insist on production of a communication from the Ministry of Home Affairs conveying prior permission of the Central Government for acceptance of specific amount of foreign contribution in case the association is not registered under the Foreign Contribution (Regulation) Act, 1976.

Bank will not afford credit to the account of such associations as are not registered with the Ministry of Home Affairs separately for the purpose of accepting foreign contribution under the Foreign Contribution (Regulation) Act, 1976.

Bank will not afford credit to the account of such associations as have been directed to receive foreign contributions only after obtaining prior permission of the Central Government.

Bank will not allow the credit of the proceeds of the cheques / demand drafts etc. to the organizations of a political nature, not being political parties (including their branches and units) unless a letter containing the prior permission of the Central Government under the Foreign Contribution (Regulation) Act, 1976 is produced by such organizations.

Bank will note the registration number as conveyed by the Ministry of Home Affairs to the various associations in the relevant records particularly the pages of the ledgers in which the foreign contribution accounts of associations are maintained to ensure that no unwanted harassment is caused to such associations.

In case any cheque/demand draft has been tendered to the Bank for realization of its proceeds and credit to the account of the association/organization by an association or organization which is not registered or which requires prior permission, as the case may be, the Bank will approach the Ministry of Home Affairs for further instructions. In no case the Bank will credit the account of association / organization of apolitical nature, not being a political party, as specified by the Central Government and of an unregistered association, unless the association/organization produces a letter of the Ministry of Home Affairs conveying permission of the Central Government to accept the foreign contribution.

Where prior permission has been granted, such permission is to accept only the specific amount of the foreign contribution which would be mentioned in the relevant letter. The Ministry of Home Affairs is invariably endorsing a copy of the order of registration or prior permission for each association/organization to the concerned branch of the bank through which the foreign contributions are to be received for credit to the Associations/ Organizations deposit account.

d) The Ministry of Home Affairs (MHA), Government of India has developed software for submission of online reports of receipt of foreign contribution by banks. MHA has advised that submitting reports online through software would be optional till October 31, 2013. However, from November 01, 2013 onwards, online submission of report would be compulsory. In accordance with RBI's directive, the Bank will access <http://mha1.nic.in/fcra.htm> website for all the details on FCRA reporting and the user guide will be accessed at <http://mha1.nic.in/pdfs/USERGuideBank270813.pdf> Non-adherence to these instructions will tantamount to violation of the provisions of the said Act. Even non-submission of the prescribed Return in time to the Government of India would be viewed very seriously and therefore the Bank will comply with the above directives.

If the bank suspects the deposit of any illegal or hazardous substance by any customer in the safe deposit locker, the bank shall have the right to take appropriate action against such customer as it deems fit and proper in the circumstances.

The banks shall obtain recent passport size photographs of locker-hirer(s) and individual(s) authorised by locker hirer(s) to operate the locker and preserve in the records pertaining to locker-hirer being maintained in the bank's branch.

Standard Operating Procedure (SOP) for breaking open the lockers for all possible keeping in view the relevant legal and contractual provisions

Discharge of locker contents by banks due to non-payment of locker rent

Inoperative locker

- Where the lockers have remained inoperative for more than three years for medium & low risk category or one year for a higher risk category, Branch will immediately contact the locker-hirer and advise him to either operate the locker or surrender it. This exercise shall be carried out even if the locker hirer is paying the rent regularly. Further, the Bank should ask the locker hirer to give in writing, the reasons why he /she did not operate the locker. In case the locker hirer has some genuine reasons as in the case of NRIs or persons who are out of town due to a transferable job etc., the Bank may allow the locker hirer to continue with the locker. In case the locker hirer does not respond nor operate the locker, the Bank will consider opening the lockers after giving due notice to him. In this context, the Bank will incorporate a clause in the locker agreement that in case the locker is not operated for more than one year, the Bank will have the right to cancel the allotment of the locker, even if the rent is paid regularly.
- In case the locker-hirer does not respond nor operate the locker, Branch will consider break opening the locker after giving due notice to the hirer.

The Bank shall have the discretion to break open any locker following due procedure if the rent has not been paid by the customer for three years in a row. The bank shall ensure to notify the existing locker-hirer prior to any changes in the allotment and give him/her reasonable opportunity to withdraw the articles deposited by him/her. A clause may be incorporated in the locker agreement to this effect.

Before breaking open the locker, the bank shall give due notice to the locker-hirer through a letter and through email and SMS alert to the registered email id and mobile phone number. If the letter is returned undelivered or the locker-hirer is not traceable, the bank shall issue public notice in two newspaper dailies (one in English and another in local language) giving reasonable time to the locker-hirer or to any other person/s who has interest in the contents of locker to respond. The locker shall be broken open in the presence of an officer of the bank and two independent witnesses. In case of electronically operated lockers (including Smart Vaults), the use of 'Vault Administrator' password for opening of locker shall be assigned to a senior official and complete audit trail of access shall be preserved. Further, the Bank shall also record a video of the break open process together with inventory assessment and its safe keep and preserve the same so as to provide evidence in case of any dispute or Court case in future. The Bank shall also ensure that the details of breaking open of locker is documented in CBS or any other computerized systems compliant with the Cyber Security Framework issued by RBI, apart from locker register. After breaking open of locker, the contents shall be kept in sealed envelope with detailed inventory inside fireproof safe in a tamper-proof way until customer claims it. A record of access to the fireproof safe shall invariably be maintained. While returning the contents of the locker, the bank shall obtain acknowledgement of the customer on the inventory list to avoid any dispute in future.

The Bank shall ensure that the inventory prepared after breaking open of the locker and during settlement of claims, is in the appropriate forms as provided at the end of this circular or as near thereto as circumstances require. Further, the Bank shall not open sealed/closed packets left with them for safe custody or found in locker while releasing them to the nominee(s) and surviving locker hirers / depositor of safe custody article, unless required by law.

If the locker remains inoperative for a period of seven years and the locker-hirer cannot be located, even if rent is being paid regularly, the bank shall be at liberty to transfer the contents of the locker to their nominees/legal heir or dispose of the articles in a transparent manner, as the case may be. Before breaking open the locker, the bank shall follow the procedure as prescribed in paragraph above. The Bank shall ensure that the procedure to be followed by them for disposal of the articles left unclaimed for a reasonably long period of time as mentioned above is incorporated in the locker agreement.

Nomination Facility

The Bank shall offer nomination facility in case of safe deposit lockers and safe custody of articles, in accordance with the provisions of section 45-ZC to 45-ZF of the Banking Regulation Act, 1949 and Banking Companies (Nomination) Rules, 1985/Co-operative Banks (Nomination) Rules, 1985. In case the nominee is a minor, the same procedure as prescribed for the bank accounts shall be followed by the banks. A passport size photo of the nominee attested by the customer may be obtained from the customers, at his/her option and preserved in the records.

All other terms & conditions as per the Policy on Safe Deposit Locker/Safe Deposit Article to be complied with.

(i) Access to the safe deposit lockers / safe custody articles

To deal with the requests from the nominee(s) of the deceased locker-hirer / depositors of the safe-custody articles or by the survivor(s) of the deceased for access to the contents of the locker / safe custody article on the death of a locker hirer / depositor of the article, the Bank will apply all rules as applicable to deposit accounts to safe deposit lockers.

As per the extant guidelines, when a constituent approaches the Bank for availing of the locker facility, the Bank will obtain the document "Agreement of Safe Deposit Locker" bearing appropriate stamp duty. All locker holders' signatures will be obtained on that and then the copy will be given to the customer for his record.

At the time of surrender of a locker either by the locker holder or his nominee, the Bank will insist on submission of unstamped copy of the Memorandum of Letting of Locker by the customer. In some instances, it is observed that the customer, after a gap of many years has misplaced the counter foil and therefore has to put up with inconvenience at the time of surrendering the locker. In order to prevent the customer from undergoing any hardships, the Bank will not insist on the Memorandum of Letting of Locker from the customer at the time of surrendering of the locker. Instead the Bank will obtain an indemnity on stamp paper (as applicable). All other formalities required to be followed while surrendering of locker either by locker holder / nominee will continue as it is.
